Intervention Resources for Exceptional Student Education (ESE)

Students with disabilities will receive the same interventions in general education that all struggling students require. In addition, the following are interventions and instructional technology designed to meet the specific needs of students with disabilities. Implementation of these programs is determined by the goals and services identified on the student's Individual Education Plan (IEP).

Supplemental ESE Resources	Oral Language	Phonemic Awareness	Phonics	Fluency	Vocabulary	Comprehension	Writing
Fundations, 2 nd Edition Grades K-3		X	X	X	X
